Karen: What's this?
Karen: Guardian has agreed to host my explanation of what has been uncovered; the details themselves will appear on http://t.co/lsEhi3q.
me: I've decided to make an event out of Romas/COIN
me: not dealing with al-Jazeera again
me: also Bargo wants me to come work with him tomorrow and presumably afterwards so I'll bring in money that way
me: I've sent my piece to NYT for vetting
Karen: Wow, all good!
Karen: At the Turtle Creek office?
me: yep
Karen: I can come take you :)
me: that's okay
Karen: It's pretty hot, sweetie.
me: alright then
Karen: OK, what time?
me: wait
me: I don't know yet and he's taking me out to lunch
me: so I think he'll just pick me up
Karen: OK, great! That's wonderful!
Karen: I have all your clothes, though. Will you call me tomorrow and maybe I can pick up up/ bring you home?
Karen: I really, really want to do a lunch or dinner with you this week -- you owe me!
me: sure
Karen: Ok, as soon as you know your schedule tomorrow we can schedule that :)
